

REDEFINERS WORLD LANGUAGES

ReDefining Early World Language Education...For a Brighter Future!

WHO ARE WE?

ReDefiners is a pioneering non-profit organization that focuses on language education. It has been developed by a full-time educator, parent, and advocate for language learning. The organization is made up of fellow teachers, international student volunteers and business professionals who are passionate about language and cultural education. We offer language classes in Arabic, Chinese (Mandarin) and Spanish to children in PreK-5th grade.

OUR MISSION

The mission of ReDefiners World Languages is to create equity and access to world language educational opportunities for ALL elementary students by providing high-quality; immersive programs in Spanish and critical need languages, including Arabic and Mandarin, with an emphasis on at-risk youth.
